### LACK OF INDEPENDENCE

#### **Why we are not independent, impartial, or unbiased in relation to the provision of personal advice and the impact of this on you**

We, Finstead Risk Solutions Pty Ltd, are not independent, impartial, or unbiased pursuant to section 923A of the *Corporations Act* because:

- We may receive remuneration, commission, gifts or other benefits when we provide personal advice to you in relation to insurance products and other financial products;
- We may have associations or relationships with issuers of insurance products and other financial products.

Further information about these benefits and relationships is set out in this Financial Services Guide.

If you have any questions about this information, please ask us.

### **Further information when personal advice is given**

We will provide you with further information whenever we provide you with advice which takes into account your objectives, financial situation and needs. This information may include the advice that we have given you, the basis of the advice and other information on our remuneration and any relevant associations or interests. This information may be contained in a Statement of Advice (SOA).

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurers we deal with regularly.

**Finstead Risk Solutions Pty Ltd** is a member of the National Insurance Brokers Association and subscribes to, and is bound by, the Insurance Brokers Code of Practice (the **Code**). Please notify us if you would like a copy of the Code. Otherwise, a copy is available from the NIBA website [niba.com.au](http://niba.com.au).

### **Product Disclosure Statement (PDS)**

If we offer to arrange the issue of an insurance policy to you, we will also provide you with, or pass on to you, a Product Disclosure Statement (**PDS**), unless you already have an up-to-date PDS. The PDS will contain information about the particular policy which will enable you to make an informed decision about purchasing that product.

**What kinds of financial services are you authorised to provide to me and what kinds of financial product/s do those services relate to?**

Finstead Risk Solutions Pty Ltd is authorised to deal in general insurance products to wholesale and/or retail clients. We will do this for you as your broker unless we tell you otherwise.

**Will I receive tailored advice?**

Not in all cases. However, we may need information about your personal objectives, details of your current financial situation and any relevant information, so that we can arrange insurance policies for you, or to give you advice about your insurance needs. We will ask you for the details that we need to know.

In some cases, we will not ask for any of this information. If we do not ask, or if you do not give us all of the information we ask for, any advice you receive may not be appropriate to your needs, objectives and financial situation.

You should read the warnings contained in any SOA, or any other warnings that we give you, carefully before making any decision about an insurance policy.

Where we provide you with advice about your insurance arrangements, that advice is current at the time that we give it. We will review your insurance arrangements when you inform us about changes in your circumstances, at the time of any scheduled status review or upon renewal of your insurances.

**Contractual Liability and your insurance cover**

Many commercial or business contracts contain clauses dealing with your liability (including indemnities or hold harmless clauses). Such clauses may entitle your insurers to reduce cover, or in some cases, refuse to indemnify you at all. You should seek legal advice before signing and accepting contracts. You should inform us of any clauses of this nature before you enter into them.

**What information do you maintain in my file and can I examine my file?**

We maintain a record of your personal profile, including details of insurance policies that we arrange for you. We may also maintain records of any recommendations or advice given to you. We will retain this FSG and any other FSG given to you as well as any SOA or PDS that we give or pass on to you for the period required by law.

We are committed to implementing and promoting a privacy policy, which will ensure the privacy and security of your personal information. A copy of our privacy policy is available on request. A copy is also available on our website, [www.finsteadrs.com.au](http://www.finsteadrs.com.au).

If you wish to look at your file, please ask us. We will make arrangements for you to do so.

**How will I pay for the services provided?**

For each insurance product the insurer will charge a premium that includes any relevant taxes, charges and levies. We often receive a payment based on a percentage of this premium (excluding relevant taxes, charges and levies) called commission, which is paid to us by the insurers. However, in some cases we will also charge you a fee. These will all be shown on the invoice that we send you. You can choose to pay by any of the payment methods set out in the invoice. You are required to pay us within the time set out on the invoice.

If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy or based on a term of your policy (such as a premium adjustment provision), we will retain any fee we have charged you. We will also retain commission depending on our arrangements with the insurer or charge you a cancellation fee equal to the reduction in our commission.

When you pay us your premium it will be banked into our trust account. We retain the commission from the premium you pay us and remit the balance to the insurer in accordance with our arrangements with the insurer. We will earn interest on the premium while it is in our trust account, or we may invest the premium and earn a return. We will retain any interest or return on investment earned on the premium.

**How are any commissions, fees or other benefits calculated for providing the financial services?**

Our commission will be calculated based on the following formula:

$$X = Y\% \times P$$

In this formula:

X = our commission

Y% = the percentage commission paid to us by the insurer. Our commission varies between 0% and 30%.

P = the amount you pay for any insurance policy (less any government fees or charges included in that amount).

Any fees that we charge you will be based on either our standard fee structure, and/or will depend on the complexity of the services we are providing, these will be shown on your invoice.

We do not often pay any commissions, fees or benefits to others who refer you to us or refer us to an insurer. If we do, we will pay commissions to those people out of our commission or fees (not in addition to those amounts), in the range of 0% to 90% of our commission or fees.

Our employees that will assist you with your insurance needs will be paid a market salary.

Employees may also receive commission for the placement of business. If they do, we will pay commissions to those employees out of our commission or fees (not in addition to those amounts), in the range of 0% and 30% of our commission or fees. Some employees may also receive an annual profit share based on the overall performance of the business. Employees may also receive commission for the placement of business. If they do, we will pay commissions to those employees out of our commission or fees (not in addition to those amounts), in the range of 0% and 10% of our commission or fees. Some employees may also receive an annual profit share based on the overall performance of the business.

If we give you personal advice, we will inform you as soon as practicable after giving you the advice of any fees, commission or other payments we or our associates will receive in relation to the policies that are the subject of the advice.
